Senate Has Hot Discussion Over Attitude of Hun.

London Demands No Armistice Without Evacuation.

## NO SUSPENSION OF HOSTILITIES

Would Give the Hun Time To Get His Breath.

Germany Wants Long Debate, Says One Senator.

Washington, Oct. 7.-The United States congress, which must ratify the treaty of peace with the central powers when it is made, issued to the American people today definite assurance that this government will not for an instant seriously consider the Austrian-German armistice proposal.

Democratic and Republican leaders foined in the most decided statement, declaring unthinkable "a compromise with the enemy" and urged only acceptance of the terms laid down by President Wilson

Washington, Oct. 7.—America's temper toward a made-in-Germany peace was clearly reflected today in thousands of letters and telegrams pouring into the capital to senators and confrontment of the capital to senators.

pouring into the capital to senators and congressmen.

By actual count less than one-fifth of one per cent of the messages even suggested serious consideration of the "Austro-German plea." The voice of the nation, as heard in congress, is practically unanimous against any parley with the foe until he has been smashed into helplessness. smashed into helplessness.

Washington, Oct. 7.—America will fight until "victory is clinched."

This indication of the government's attitude toward peace was given by the treasury in a statement issued by Secretary McAdoo, urging greater efforts to make the liberty loan a suc-

Consolidation Plan Will Bring Employes to Topeka.

Gen'l Sup't and District Engineer Come From Newton.

## REORGANIZATION IS COMPLETE

Two Assistant General Managers To Be Under F. C. Fox.

Car Accountant Offices Are Coming From Amarillo.

In order to facilitate the handling of records and files and improve the efficiency in correspondence and acion between offices and officers, the Atchison, Topeka & Santa Fe railway today announced in Topeka the be ginning of a general move in consoli

ginning of a general move in consolidation of work.

As a result of the plan many important offices over the system will be moved to Topeka. Today it was announced that the general superintendent's and district engineer's offices at Newton, Kan., will come here immediately. The order is effective November 1. Also the office of car accountant at Amarillo, Tex., will be moved to this city and will be placed under the supervision of John W. Nowers, car accountant in Topeka.

The moving of the general superintendent and district engineer from Newton to Topeka will bring about a general consolidation and reorganization in the office of General Manager Fox in this city.

Mr. Fox will have in the place of

Fox in this city.

Mr. Fox will have in the place of Mr. Fox will have in the place of general superintendent at Topeka eastern district, and a general superintendent at Newton, western district, two assistant general managers in Topeka. E. Raymond, present general superintendent of the eastern district will be made assistant general manager and W. K. Etter, general superintendent of the western district will come here as assistant general manager. They will still be at the head of their respective districts but will maintain offices in Topeka with General Manager Fox.

tain offices in Topeka with General Manager Fox.

G. J. Bell, district engineer at Newton will come to Topeka as district engineer in the office of Assistant General Manager Etter. W. A. Guild, district engineer in Topeka will continue his office under the head of Assistant General Manager Raymond.

General Capsulification

General Consolidation. Under the new plan to consolidate the offices here, the heads of the different departments in the general manager's office have been named and the office will occupy the entire third floor of the new general office building:

Senate Discusses Move.

Washington, Oct. 7.—Discussing Germany's peace offer in the senate today Senator Hitchcock, of Nebraska, chairman of the foreign relations committee, declared 'absolutely abhorent' even a thought of suspension of hostilities now, and recommended the addition to the principles previously laid down by the president as a basis for peace, one providing that the alies would deal only with real representations committee, declared that an armistice would mean the loss of the war and all we have fought for.

Germany, he said, now merely proposes a long debate on the basis of peace. The only future course, Senator Lodge declared, is to secure a complete military victory—over Germany and force her to sae for peace.

Senate Against It.
